

Disaster Recovery

A comprehensive housing database and plan in place when disaster strikes translates into faster recovery and better overall housing stability!

Emphasys Housing Locator has provided disaster recovery services for over twenty years:

- Compassionate call center support.
- Landlord outreach to bolster inventory in impacted areas.
- Detailed reporting.
- Customized homepage messaging and more!

Outreach

- Systematic email campaigns
- Website Ad-Hoc Announcements
- Social Media Outreach

Call Center / Customer Support

- Outbound Call Outreach to impacted communities
- Landlord recruitment and listings updates
- Special Inbound IVR to prioritize impacted populations

Reporting

- Daily/Weekly reporting as needed
- Comprehensive analysis
