

RentComp

An up-to-date, tailored rent comparable database and easy-to-use rent reasonableness assessment at your fingertips!

To learn more, contact housinglocator@emphasys-software.com

Boost your voucher programs with our simple rent reasonableness tool and professionally built rental market database supported by our experienced staff.

Emphasys RentComp data is carefully collected and maintained daily by market professionals in our call center.

We can do the work for you!

- **Vacancy listings management** for voucher programs and project-based vacancies.
- **Web-based** for easy access from anywhere.
- Our **RentComp Support Team** is available via phone, email and chat. Monday-Friday, from 9 a.m. to 5 p.m. EST.
- Robust and **constantly refreshed** comparable data.
- View photos and **compare critical property features** and utility information.
- User-friendly, **side-by-side comparisons** with interactive mapping tools.
- **Quick forms** include printable comparisons with notes, landlord and tenant information, and signature fields for HUD documentation.
- Data contains **actual rents**, not listed rents.
- Have statewide programs in **rural areas**? Our rural RentComp system will find and generate comps for you anywhere.
- An **audit tool** tracks and verifies staff comp report history.
- Custom **Data Population** Available.
- **Housing Locator search and listing tools** can be incorporated directly into your agency websites to bolster housing opportunity for your communities.

Do you use Emphasys Elite?

Have program-tailored comp data transferred directly into your Elite system to save time and never leave your workflow. Bring this exciting solution to your agency.
